

# DISC GOLF CLUB PARTNERSHIP PROGRAM

We are excited to announce our brand new disc golf club partnership program. The goal of this program is **to connect established clubs in the United States with newly formed disc golf clubs that are being established at Paul McBeth Foundation course locations**. We are committed to making sure each of our courses is sustainable, and we can't do that alone. If your club is looking for opportunities to make a difference around the world we would love to explore this opportunity with you!

## EXPECTATIONS

**While each location partnership will remain site-dependent, here are some basic expectations:**

- Help supply the new locations with at least 50 new and 50 used discs each year to allow them to run events and grow their player base.
- Advise and consult monthly on ways to best utilize the site's new course and make steps to expand and grow it in the future.
- Host an annual fundraiser targeting at least \$1,000 to help support new initiatives and/or course expansion.
- Communicate quarterly with the Paul McBeth Foundation Sustainability Coordinator via email, WhatsApp, or video call to update club & site progress.
- Promote PMF Builders Club to local club members annually, and consider the club joining the PMF Builders Club at a set monthly donation amount.

## WHY GET INVOLVED?

**We want to share disc golf with the world, and we need help to accomplish this task. You probably already have that same passion, so here are a few reasons why your club might be interested:**

- Add a creative outlet for your club to grow the sport of disc golf around the world.
- Create a new opportunity for club members to get involved with the club, and use their gifts and abilities.
- Add built-in travel destinations and contacts for the club members.
- Annual thank you gift from Paul McBeth and the Foundation Team.
- New friends!

Thank you for considering this opportunity to partner with us to make a world-wide impact through the sport of disc golf. If you would like to learn more about how you can become a Paul McBeth Foundation Partner Club please contact us at [shane@paulmcbethfoundation.org](mailto:shane@paulmcbethfoundation.org).
